U624A Hoist

Experience that Matters

If you're in the market for a hoist, look no further. Champion Hoist and Equipment™ has a low tolerance for defects and a strong desire for quality craftsmanship to ensure customer satisfaction. Dedicated to perfection and continuing to lead the industry with over 35 years of excellence, Champion built hoists are well developed and industry proven. Champion built equipment is shot blasted and powder coated black to ensure a long lasting durable product. We are a proud member of the National Truck Equipment Association.

**All Champion hoists
are NTEA rated**

All mounting angles
will be shipped loose.

This hoist has an NTEA rating of class 30

The U624A is recommended for 10,000 lbs. to 19,500 lbs. GVWR rated chassis. Any other application is not recommended.

This hoist only weighs 545 lbs. That is 240 lbs. lighter than a comparably rated conversion hoist with a full subframe.

With over 30 hoists offered,
Champion Hoist and Equipment™
is sure to have what you need.
